Brief Introduction about Capacity development and skill enhancement initiatives

We at SCIT conduct several activities throughout the year for capacity development and skill enhancement of the student's right from beginning of the academic programme.

The very first activity we do for the students is Induction programme where we keep sessions such as Personality development, case study foundation programme on various topics such as Finance, SQL, Linux systems, computing tools that helps them to orient themselves for advanced learning.

We also conduct outbound activity for the students named as Suryashibir. We take students do the resort spread in more than 100 acres near Panshet, the beautiful place, where several games are conducted by the experts for the student and after every game management lessons are taught to them. Students love this activity as they learn by doing.

We also conduct emotional well being program for the students in the month of November at beautiful campus of our university, Lavale. Students are trained on emotional wellness and sports and life skills for two days.

We also celebrate international Yoga day every year on 5th June .

Dear Ekta,

Good morning.

We enjoyed conducting the one day outbound programme for SCIT students yesterday.
They are very co-operative and open minded. Please let us know their feedback.

I am sending you the training invoice for the programme with this mail and also by courier today.
Surya Shibir (Laxmi Farms) will be sending their invoice directly.
Please let me know if you need anything else.
Please ack.

International Yoga Day Celebration at Symbiosis

716 Views July 03, 2017 [No Comments](#) [Student's Blog](#) [yesha.unadkat](#)

Yoga is an invaluable gift of India's ancient tradition. It is a 6000-year-old legacy for mental, physical and spiritual wellbeing. In order to celebrate International Day of Yoga, Symbiosis International University organized a training and practice session by Ms. Sanjana Kotwal, on 21st June.

Sanjana Kotwal also explained different breathing exercises, "Kapal bhati" that helps in digestion and also flushes out the carbon dioxide, "Shwas Patal" which controls blood pressure, "Keval

Kumbhak", "Agnisar Kriya" which is considered remedy for diabetic people, "Pranayam" which is used to increase our body immunity, "Antar Kumbhak" which is used to assimilate all the energy, "Bhramari pranayam" which is used to increase our healing capacity. An anti-aging pranayama was taught which has the power to take us out of depression. The students were also taught Surya Namaskar and were then encouraged to make yoga part of their routine. In order to implement the teachings and encourage the students, Symbiosis has started with the 108 days Yoga challenge as well. This requires minimum of 15-20 minutes' practice for 6 days a week. The exercise should include 2 "Suryanamskar" and 5-10 Pranayama exercise. The practice session for the same will begin from 3rd July, 2017 to 31st July, 2017 and the challenge will begin from 1st August, 2017 to 4th Dec, 2017.

The interactive session was rightly concluded by the quote "Yoga is the journey of the self. Through the self. To the self".
