Our recruiters are one of the major stakeholders, feedback of whom gives us input regarding enhancing the employability of our students. Their feedback is valuable for us as it provides the basis for further enrichment in curriculum aspects and overall performance of students. We have received feedback from our major recruiters. The feedback suggested is considered for further consideration and approval as applicable to be included in the curriculum.

Suggestions from a couple of recruiters were to incorporate a course on immersive technologies and its applications as part of the syllabus.

For MBA (DS & DA) no new courses were suggested.
