2024-25

Action taken report for MBA ITBM and MBA DSDA

Stakeholder	Feedback Analysis - Suggestion Given	Action taken report
Students	<p>As per the feedback analysis, the courses were not overlapping and met the learning needs of students. Students were explained Program outcomes and course outcomes. The courses are relevant to the industry requirements with adequate time given for learning.</p>	<p>New courses to be added based on the analysis of the feedback gathered from different stakeholders and the discussion in the PRC meeting, the QIC expert panel:</p> <ol style="list-style-type: none">1. Agile2. Apache Spark3. AI Security
Faculty	<p>As per the feedback analysis, all faculty were having enough freedom to contribute their ideas on curriculum design and development to help develop the required competencies amongst students. Elective subjects under Information Security management specialization were rearranged. Digital Transformation also to be introduced as a specialization.</p>	<p>Following courses were included in the program structure of 2026-27</p> <ol style="list-style-type: none">1. AI for Business

SYMBIOSIS CENTRE FOR INFORMATION TECHNOLOGY

Symbiosis International (Deemed University)

(Established under section 3 of the UGC Act, 1956)

Re-accredited by NAAC with 'A++' Grade | Awarded Category - I by UGC

Founder : Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

Alumni	As per the feedback analysis, Alumni agreed that the curriculum prepared them adequately for the job roles. The program is well designed and promotes the students' learning experience. The courses offered in the Institute have relevance to societal needs and employment potential.	No suggestions
Industry	As per the feedback analysis, Industry experts agreed that the curriculum has a good blend of theory and practical aspects. The students were adequately trained in terms of knowledge, skills, and values by the subjects learned as per the curriculum.	No suggestions

Report on the feedback acquired from various stake holders of SCIT

Year: 2024 - 25

FEEDBACK FROM STUDENTS:

We collect feedback from our graduating students. We have designed a feedback form inculcating the views and suggestions on curriculum development received from them. We also collect feedback from students on faculty performance.

Latest courses structured well as per industry needs in IT field. Has helped to imbibe both technical and managerial expertise.

FEEDBACK FROM ALUMNI:

Our alumni feedback is valuable for us as it provides us the inputs regarding improvement in facilities and employability of our student as well as their views on curriculum and look forward to improvise on the curriculum in the following year's Program Structure. No suggestions were given on course curriculum.

RECRUITER'S FEEDBACK:

Our recruiters are one of the major stakeholders, feedback of whom gives us input regarding enhancing the employability of our students. Their feedback is valuable for us as it provides the basis for further enrichment in curriculum aspects and overall performance of students. We have received feedback from our major recruiters.

We have collected feedback from the recruiters where along with the other aspects about the institution, we also ask our recruiters to comment on the curriculum. In general, the recruiters seem to be happy with our student's performance. The feedback suggested is considered for further consideration and approval as applicable to be included in the curriculum.

FEEDBACK FROM FACULTY:

We collected the feedback forms faculty members of SCIT regarding the Curriculum and any changes in the curriculum suggested. All the faculty members give feedback every year.

Some faculty members from our institute contributed in syllabus restructuring or suggesting new courses in the upcoming academic year's curriculum. Some of the suggestions made by the faculties are put forth in the BoS of the FoCS.

Gen AI courses were suggested to be included in the program structure.

Dr. Dhanya Pramod
Director, SCIT
