Report on the feedback acquired from various stake holders of SCIT

Year : 2015-16

FEEDBACK FROM STUDENTS:

Process : We collect feedback from our graduating students. We have designed a feedback form inculcating the views and suggestions on curriculum development received from them.

The suggestions given were as follows:

ERP SD and MM were suggested to be introduced. Security subjects - created an new interest to work in the information security domain.

FEEDBACK FROM ALUMNI:

Process : We collect feedback from the alumni of various batches during the Alumni meet. The feedback is taken manually through a feedback form floated to all the alumni through the various alumni meets where we get to interact with them in various locations across the country like Hyderabad, Delhi, Bangalore and Pune.

Our alumni feedback is valuable for us as it provides us the inputs regarding improvement in facilities and employability of our student as well as their views on curriculum and look forward to improvise on the curriculum in the following year's Program Structure.

We could not collect feedback from Alumni for the said year.

SCIT

RECRUITER'S FEEDBACK:

Process : We take recruiter feedback and suggestions about the students and the curriculum through a form designed specially for the recruiters.

Our recruiters are one of the major stakeholders, feedback of whom gives us input regarding enhancing the employability of our students. Their feedback is valuable for us as it provides the basis for further enrichment in curriculum aspects and overall performance of students. We have received feedback from our major recruiters. The feedback suggested is considered for further consideration and approval as applicable to be included in the curriculum.

Suggestions from the recruiters were :

ERP to be included in the curriculum with various modules.

Cloud computing subject is important for the students.
