Report on the feedback acquired from various stake holders of SCIT

Year: 2020-21

FEEDBACK FROM STUDENTS:

We collect feedback from our graduating students. We have designed a feedback form inculcating the views and suggestions on curriculum development received from them. We also collect feedback from students on faculty performance.

The suggestions given were as follows:

As per the LMS feedback analysis, the courses were not overlapping and met the learning needs of students.
Students were explained Program outcomes and course outcomes.
The courses are relevant to the industry requirements with adequate time given for learning.

As per students' suggestions New courses had to be added to the curriculum.

FEEDBACK FROM ALUMNI:

Our alumni feedback is valuable for us as it provides us the inputs regarding improvement in facilities and employability of our student as well as their views on curriculum and look forward to improvise on the curriculum in the following year's Program Structure.

We appeal our alumni to provide their sincere feedback to us though the various alumni meets where we get to interact with them in various locations across the country like Hyderabad, Delhi, Bangalore and Pune based on the comments of the alumni.

As per the LMS feedback analysis, Alumni agreed that the curriculum prepared them adequately for the job roles. The program is well designed and promotes the students' learning experience. The courses offered in the Institute have relevance to societal needs and employment potential.

New courses to be added based on the analysis of the feedback gathered from Alumni.

RECRUITER'S FEEDBACK:

Our recruiters are one of the major stakeholders, feedback of whom gives us input regarding enhancing the employability of our students. Their feedback is valuable for us as it provides the

basis for further enrichment in curriculum aspects and overall performance of students. We have received feedback from our major recruiters.

We have collected feedback from the recruiters where along with the other aspects about the institution, we also ask our recruiters to comment on the curriculum. In general the recruiters seem to be happy with our student's performance. The feedback suggested is considered for further consideration and approval as applicable to be included in the curriculum.

As per the LMS feedback analysis, Industry experts agreed that the curriculum has a good blend of theory and practical aspects.
The students were adequately trained in terms of knowledge, skills, and values by the subjects learned as per the curriculum.
New courses to be added based on the analysis of the feedback gathered from different Industry Experts.
Courses like IT Consulting should be offered in Semester 3 before students appear for Placement.

FEEDBACK FROM FACULTY:

We collected the feedback forms faculty members of SCIT regarding the
Curriculum and any changes in the curriculum suggested. All the faculty members give feedback every year.
As per the LMS feedback analysis, all faculty were having enough freedom to contribute their ideas on curriculum design and development to help develop the required competencies amongst students.
Elective subjects under Information Security management specialization were rearranged.

New courses are to be added based on the analysis of the feedback gathered from faculty.

Management Information Systems course can be removed from the program structure for MBA-ITBM Batch 2022-24.

IT Strategy elective course is offered as a core course for 2 credits for MBA-ITBM Batch of 2022-24.

IT Consulting to be offered in Semester 3 and Services Marketing in the semester for MBA-ITBM Batch 2022-24.
