1ST ANNUAL ANALYTICS CONCLAVE

SYMBIOSIS
CENTRE FOR INFORMATION TECHNOLOGY

Invitation

Datafication: Quantifying the Unimaginable

Venue: SIC Auditorium | Time: 8 AM to 3 PM | Date: 12th Jan, 2019

A constituent of Symbiosis International Deemed University, SCIT has been a leader in nurturing genuine IT talent. Along with being a pioneer in imparting education in the niche domain of IT Business Management, SCIT recently introduced the fast-blooming and interdisciplinary field of **Data Science & Data Analytics** as a full-time course, which took its roots two years ago.

We, on the behalf of the **Guest Lecture Committee** at **Symbiosis Centre for Information Technology**, are honoured to invite you to set afloat our very first event - **Dattansh**, which aims at sharing knowledge, insights and experience in the field of Data Science & Analytics. By means of this platform, we wish to explore the limitless possibilities that have opened up in recent times, through a convergence of the most brilliant minds in the country.

Agenda for the Day:

- **Keynote Speech:** An enlightening talk by one of the maestros of Data Science.
- **Industry Expert View:** Case studies of growth and transformation of firms, fuelled by analytics.
- **Start-up Product Showcase:** Demonstration of working models of live projects that highlight some of the extraordinary work being done in the industry.

Our Mentor & Guide

We would sincerely like to thank **Dr. Ajey Kumar** and **Dr. Dhanya Pramod** for their constant guidance, they toiled hard with the members of Guest lecture committee in each of the task. We would also like to express our gratitude to our admin officer **Mrs. Savita Nair** to make the per and post event procedure smooth for us which helped us a lot. This event would not be a success without the constant help provided by the **IT department** and **Web and Media committee** of SCIT.
