DATA YUGA: THE ERA WHERE DATA DICTATES

VENUE: SIC AUDITORIUM | TIME: 10:00 AM TO 3:00 PM | DATE: 23RD NOVEMBER, 2019

A constituent of Symbiosis International University, SCIT has been a leader in nurturing genuine IT talent and believes in transforming students into proactive professionals. Along with being a pioneer in imparting education in the niche domain of IT Business Management, SCIT recently added yet another feather to its hat by introducing the fast-blooming and interdisciplinary field of **Data Science & Data Analytics** as a full time course, which took its roots two years ago.

We, on the behalf of the Guest Lecture Committee at Symbiosis Centre for Information Technology, are honoured to invite you to set about our event - Dattansh, which aims at sharing knowledge, insights and experience as well, as highlighting the key technical trends that are currently dominating the field of Data Science and Analytics. Data has the power to remodel the world and by means of this platform, we wish to explore the limitless possibilities that have opened up in recent times, through a convergence of the most brilliant minds in the country.

Agenda for the Day

- Keynote Speech:** An enlightening talk by one of the maestros of Data Science.
- Industry Expert View:** Case studies of growth and transformation of firms fuelled by analytics.
- Start-up Product Showcase:** Demonstration of working models of live projects that highlight some of the extraordinary work being done in the industry.
