  - Aditya Phadnis Metaverse Lead, L&T InfoTech, as a Speaker
  - Krutika Lodaya Chief Executive Officer, Artificial Neurons.AI, as a Speaker
  - Vinay Sabnis Moderator

(Established under section 3 of the UGC Act, 1956) Re-accredited by NAAC with 'A' grade (3.58/4) | Awarded Category – I by UGC Founder: Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

### 6. Brief Report providing objectives and other requisite details:

SCIT organizes National Seminar from last two decades. It enables students to acquire knowledge. NATSEM provides a chance to interact with experts from the specific field. Discussing about the relevant topic of the particular subject, students tend to learn about the latest information and new skills related to the concerned subject. They get an understanding of the ongoing advancements in the technical, managerial fields and finally acquire a quality orientation in the teaching-learning processes.

The 23rd edition of the National Seminar was conducted on the 24th of September 2022 at Symbiosis Centre for Information Technology. The theme for the Seminar was "Metaverse: Experience the New Universe for Sustainability"

"Metaverse" refers to various virtual experiences, environments, and assets that gained momentum during the past couple of years. With the advancement of linked technologies, the Metaverse has recently gained a lot of attention from all around the world. Metaverse allows users to access first-hand experiences of individuals who have gone through conflict, poverty, etc. Metaversal occurrences would provide people with perspectives on different ways of life and will help them make better decisions concerning the environment

The event began with the lighting of the lamp by Dr. Bose K. Nair was the Chief Guest of the event who is currently working as a Vice Chairman of APAC Member of the Advisory Council (MAC) on trade services and was a former president of WTC Evangelist in Shamshabad and Visakhapatnam. Mr. Pradeep Sekar was the Guest of Honor and also the speaker for the event. He is an esteemed alumnus of the Indian Institute of Management, Shillong, and is currently working as the managing director at Optiv Inc.

The dignitaries were welcomed and they addressed the audience with their knowledgeable insights. The duration of the panel discussion was 1.5 hours. The discussion also involved the speakers portraying thoughts on Metaverse, an upcoming industry in India, and how we could find sustainable solutions with Metaverse. After which the discussion shifted to the relation of Metaverse with their individual career perspectives and how it was inculcated in the distinct areas they worked in. The discourse then drifted to sustainability in the Metaverse and how different technologies can be involved to ensure integrity, security, accountability, and availability of data. The event was then followed by a Q&A session.

### > Points of Panel Discussion:

- What are the core functionalities that support the idea of Metaverse?
- How does the Metaverse work in reality?
- What new dimensions will the Metaverse open for sustainability?
- Are regulators ready for the Metaverse?

(Established under section 3 of the UGC Act, 1956) Re-accredited by NAAC with 'A' grade (3.58/4) | Awarded Category – I by UGC Founder: Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

- How will the Metaverse unfold and transform enterprises?
- How will the Metaverse reframe human-centered experiences?
- How can Metaverse impact Automation Industry and Financial Services?
- How can Metaverse be accommodated the current technologies in the market?

#### > Interactive questions by the audience:

- How Metaverse can be used to perform surgery during an accident when the person has to be operated on urgently and there is no specialist doctor available in Pune?
- How can Metaverse be related to recent industry trends?
- Is the Metaverse taking care of mental health? What is the role of Behavioral Science and Psychology in the Metaverse?
- What are the core functionalities that support the idea of the Metaverse?
- What new dimensions will the Metaverse open for sustainability?

The speakers were then felicitated with a token of appreciation and they proceeded for lunch. The event was a grand success on a magnificent scale and involved coordination, strategic management, budget planning, and efficient utilization of resources.

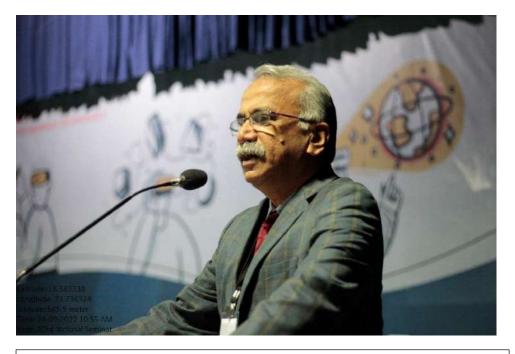

Inauguration of 23<sup>rd</sup> National Seminar by Chief Guest Bose K Nair – President, World Trade Center Mr. Pradeep Sekar, Managing Director, Optiv as a Guest of Honour and Speaker, Dr. Dhanya Pramod, Director, SCIT, Dr. Kanchan Patil, Deputy Director, SCIT,

#### **10. Feedback / Summary:**

Dr Dhanva

**NATSEM 2023 demonstrated the theme** 'Metaverse: Experience the New Universe for Sustainability' very remarkably. This seminar gave an insight to the students that how the metaverse offers a new way of interacting with the world, one that is more immersive and interactive than anything we've experienced before. How it has the potential to change the way we learn, work, and play. As more people join the metaverse, its impact will only grow, using emerging and experiential technologies.
