6. Brief Report providing objectives and other requisite details:

SCIT organizes National Seminar from last two decades. It enables students to acquire knowledge NATSEM provides a chance to interact with experts from the specific field. Discussing about the relevant topic of the particular subject, students tend to learn about the latest information and new skills related to the concerned subject. They get an understanding of the ongoing advancements in the technical, managerial fields and finally acquire a quality orientation in the teaching-learning processes.

The 24th iteration of the National Seminar took place on September 16, 2023, hosted by Symbiosis Centre for Information Technology. The theme of this seminar revolved around "Digital Transformation: Diversity in Transformation to Build a Business Strategy." The event spanned a total duration of three hours, commencing at 10:30 AM and concluding at 1:30 PM.

Digital Transformation involves the utilization of digital technologies to bring about changes or enhancements in different aspects of an organization, business, or industry, ultimately enhancing the customer experience. This dynamic phenomenon has brought about a profound revolution in how individuals, businesses, and societies function in the 21st century. It signifies a fundamental shift in our approach to addressing challenges, engaging with customers, and competing in an ever-evolving environment. In the corporate sphere, Digital Transformation encompasses the thorough integration of emerging technologies across all facets of an organization, resulting in a fundamental alteration of its operations and the delivery of value to customers. Importantly, Digital Transformation is not confined to a specific industry or sector; it has become a widespread trend across diverse domains, including healthcare, finance, manufacturing, retail, and more.

Mr. Nagaraj Muppalla, presently serving as the Executive Vice President at the esteemed organization Adventaus Technologies, graced the occasion as the Chief Guest. Mr. Nagaraj Muppalla is a vastly experienced professional with an extensive track record across diverse domains within the IT industry. Miss Shraddha Majali, the Guest of Honor and featured speaker at the event, currently holds the position of Deputy General Manager at Schneider Electric India Private Limited. She has made substantial contributions to the IT, ITES, Lifesciences, BFSI, and Smart Building Automation sectors, both within India and on the international stage.

The speakers of the National Seminar were the industry experts: Miss Shraddha Majali, Mr. Kunal Moon, Mr. Ramkumar Arumugam, Mr. Samir Kumar, Mr. Shashank Dubey and Mr. Akashdeep Singh Makkar, who along with the Chief Guest and Guest of Honor were felicitated with a token of respect by our Director, Dr. Dhanya Pramod Ma'am.

The event commenced with the ceremonial lighting of the lamp. Distinguished guests were warmly received, and they shared their valuable insights with the audience. The panel discussion extended

Founder : Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

for a duration of 1.5 hours, during which the speakers also delved into the concept of the Digital Transformation, an emerging industry in India, and explored its potential for sustainable solutions.

Subsequently, the conversation pivoted towards examining the integration of the Digital Transformation into the speakers' respective career domains. It then transitioned to a discussion on sustainability within the Business Strategy, including the incorporation of various technologies to ensure data integrity, security, accountability, and accessibility. The event concluded with an interactive Q&A session.

The Panel Discussion mostly revolved around Digital Transformation concepts & techniques and how digital transformation will affect the existing industries. There were lot of mixed opinions from the panellists but mostly everyone was in the favour of implementing the concepts of Digital Transformation actively and extensively.

➤ **Points of Panel Discussion:**

- Given your extensive industry experience, what your approach to technology and innovation before the emergence of the Digital Transformation era?
- What step ensure Cybersecurity and Data Privacy in Digital Transformation initiative?
- What are the primary drivers behind the need for Digital Transformation in various industries?
- What are the common Digital Transformation challenges in the BFSI domain and how an organization overcomes them?
- What are the upcoming trends and technologies shaping the future of Digital Transformation?
- What are the key considerations when integrating diversity into the overall business strategies to drive transformation?

➤ **Interactive questions by the audience:**

1. Can you share examples of effective change management practices in digital transformations?
2. Question was for Shashank Dubey. How did you link your education in strategy and operations to digital transformation domain?

The speakers were honored with tokens of appreciation and then proceeded to partake in a luncheon. The event achieved resounding success on a grand and impressive level, requiring meticulous coordination, strategic management, budgetary considerations, and effective resource utilization.

10. Feedback / Summary:

NATSEM 2023 demonstrated the theme “Digital Transformation: Diversity in Transformation to Build a Business Strategy” very remarkably. This seminar gave an insight to the students that how the Digital Transformation enables businesses to modernize legacy processes, accelerate efficient workflows, strengthen security, and increase profitability. How it has the potential to prepare businesses to stay ahead of the curve and be better prepared for future challenges.

to me

Oct 9, 2023, 5:47 PM (3 days ago)

Hi Naman,

Hope you, all the students, faculty and all the other staff members of SCIT are doing good. Here is my feedback about the event held on the 16th of Sep 2023. Apologies for this delayed reply as I was stuck with some family emergency.

The event was fantastic with the engaging speakers, the well-organized sessions and the interesting topics covered. All the discussions including those during the lunch with some of your professors as part of the event were very informative. I'm only hopeful that all the discussions helped the students gain new insights and inspired them to take some appropriate actions to shape their careers. Listening to your Director Dr. Dhanya and other speakers in fact, I got to learn many things as well. However, one point I'd like to mention here is – we might need to give a little more time for students to have Q&A (15-30 mins maybe). I'm sure there must have been many more enthusiastic students who would have had some questions in their minds but couldn't ask them because of lack of time.

Last but not least, it is really commendable the way you took care of all the logistics for me (airport transfers, hotel accommodation, local commute to the University etc). Special mention goes to **Saleni Ghosh and Naman Vashisht** for keeping the communication extremely seamless and making sure that I was not having any issues at any point in time during my stay in Pune.

I hereby thank all the organizers for their hard work and dedication to make sure the event is a grand success every step of the way!

Wishing All the students, faculty and all the other staff members of SCIT to continue to do the fabulous work that they have been doing, taking the name of SCIT to newer heights. Please don't hesitate to contact me and I'd be happy to contribute to the success of SCIT and the students in any possible way I can in the future.

Dear All,

On behalf of the Placement Committee, we would like to extend our heartfelt gratitude to everyone for making the 24th National Seminar, 2023 a grand success.

We take this opportunity to thank our Administrative Officer **Mrs. Savitha Nair** for her untiring guidance and encouragement towards the National Seminar 2023. We would also like to thank **Mrs. Kavita Pawale** for her relentless efforts and dedication towards making this event a successful one.

We express our gratitude to our respected Director Dr. Dhanya Pramod, Deputy Director Dr. Kanchan Patil, All faculty and Staff Members for their support. A special mention to **Yogesh Sarwade** Sir and the Lab Team for their continued support to ensure the seamlessness of the event.

Our sincere thanks to the EMCEE of the event **Krutarth Modi** and **Akshita Trivedi** for their dedication and commitment to make the 24th National Seminar a great success.

We would also like to extend our special thanks to the Core Web and Media Committee for their constant support.

Lastly and importantly, we thank our wonderful Audience for their active participation.

Regards,
Placement Advisory Committee

NA

Insightful.

Most importantly it taught me a lot. Leadership and decision making portrayed by senior team was impeccable. Would look forward to participate in more such opportunities

It was a great learning experience.

It was a great learning experience and the exposure helped in understanding how to organize large scale events professionally. Look forward to be a part of such events in the future.
